

I DODGEBALL TOURNAMENT A SUCCESS!

On Sunday July 17th, a Dodgeball Tournament was held at Extreme Fitness in Whitby. Brendan organized the event to raise awareness and support for the Marc Santi Foundation, while giving his personal training clients the experience of competitive teamwork. Various teams would dodge, duck, dive, dip and dodge their way through the afternoon, before the Monster Squad arose as the tournament champions. When the dust had settled, a total of \$850 was raised for the Marc Santi Foundation. The event will be remembered as the most fun ever had in the process of raising funds for a charitable cause!
