

I BRENDAN CHOSEN IN TRAINER HUNT, FLA

Brendan was chosen from a pool of 8000 highly qualified personal trainers, to represent Canada in the International Personal Training Hunt in Fort Lauderdale, Florida. The week was filled with various mental and physical challenges among the 10 finalists, who represented various countries such as the USA, Virgin Islands, Malta, and UK. Brendan's winning performance granted him a large cash bonus and job offer to move to Fort Lauderdale...but he graciously declined the offer so that he could join Team Canada's Medical Team for the 2006 Winter Olympics.
